ITINERARY HIGHLIGHTS

DAY 1 Jump on a Harley Davidson to tour through Sydney's fashionable eastern suburbs to the iconic golden sands of Bondi Beach. Stop here to enjoy fresh seafood at Bucket List, a bar eatery with panoramic views of the beach and ocean – the perfect place to relax in the chic but casual beach atmosphere, watch surfers tackle the waves and sight whales cruising down the coast. Follow lunch with a team building activity on the beach: try a surfing lesson or beach volleyball match. Return to the central business district to shop at the Strand Arcade where you will find Australian designer boutiques such as Sass and Bide, Lover, Lisa Ho and Dinosaur Designs and iconic Australian product in shops such as Haigh's Chocolates and Aesop. Head to Q Station, the historic site of Sydney's former Quarantine Station where English settlers were held when they first arrived in Australia. Take exclusive use of Q Station's terrace for an evening meal accompanied by one of the most magnificent views in Sydney, before a lantern-lit ghost tour of the building - reputed to be one of the most haunted in Australia.

DAY 2 Climb Sydney Harbour Bridge for a team photograph 134 metres above the harbour, framed by the dazzling city, leafy green suburbs and glittering blue waters. Explore the historic suburb of The Rocks, the area where Sydney began – full of character and early Australian architecture. Following a private lunch on the roof top of the Museum of Contemporary Art, with uninterrupted views of the spectacular harbour, take a short walk around Circular Quay to the Sydney Opera House for a bespoke behind-the-scenes tour with a renowned opera star. That evening, you will be chauffeured by water taxi to Cockatoo Island for sunset cocktails and an exclusive dinner at the funky Island Bar, which has been constructed from recycled shipping containers, giving it an industrial look that's in keeping with the island's history of a ship-building yard and naval base.

DAY 3 Today is all about meeting the locals. Kick-start the day with breakfast at Taronga Zoo, where you'll be joined by cuddly Australian animals and spoilt with fabulous harbour views. From here, take a ferry across the waters of Sydney Harbour to Manly, one of Sydney's most popular seaside destinations, well-known for its long stretch of golden sand, surf waves and the regimented Norfolk pine trees that regally mark its shore. Join a local for a bicycle tour of the area where you will discover secluded coves, deserted beaches and breathtaking coastal views before driving further north to Palm Beach, home to the set of the famous Australian television soap, Home and Away.
